O Alma Mater, guide thou our footsteps
Down the long pathway of numberless years.
So shall we always revere thy dear memory.
Hail, Susquehanna, Reign midst thy peers!

1962 Dedication

DR. GEORGE M. ROBISON
Professor of Mathematics

*to Dr. George M. Robison we dedicate
the Lanthorn . . .*

. . . because of
his genius in the field of mathematics;
his dedication to the teaching profession;
his influence upon the many who have known him as true
master and friend.

. . . in Mathematics there are many refined discoveries eminently
suited to gratify the inquisitive, as well as further all the arts and
lessen the labour of man . . .

In Memoriam

DR. ARTHUR H. WILSON
Professor of English

"... Gladly would he learn and gladly teach ..."

The memory of his gentle manner and keen mind shall forever linger with us. His inspiration will continue to live in those whose lives he touched. Fondly we remember him as scholar and friend.

DR. G. MORRIS SMITH
President Emeritus of the University

"Quality before Quantity"

Faithfully he toiled in the vineyard of learning; The University which he served so well continues to bear fruit of his efforts. Gratefully we pay tribute for his diligence and noble character.

THE UNIVERSITY

We Are Seekers . . .

of the Truth

Truth beckons us to find a way

to cross her borders, though she be confined;

to plunge into her depths, yet unafraid;

To stir up and away all dregs that would her lucid face

becloud.

But We Must Choose . . .

and We CAN Choose

For we are blest of God

with power of mind, though it be oft untried;

with will of heart, its strength we must not hide;

with trust of soul that though we would be free, this freedom

may be bound in love to God.

So ever

Onward . . . to the Noble Fray

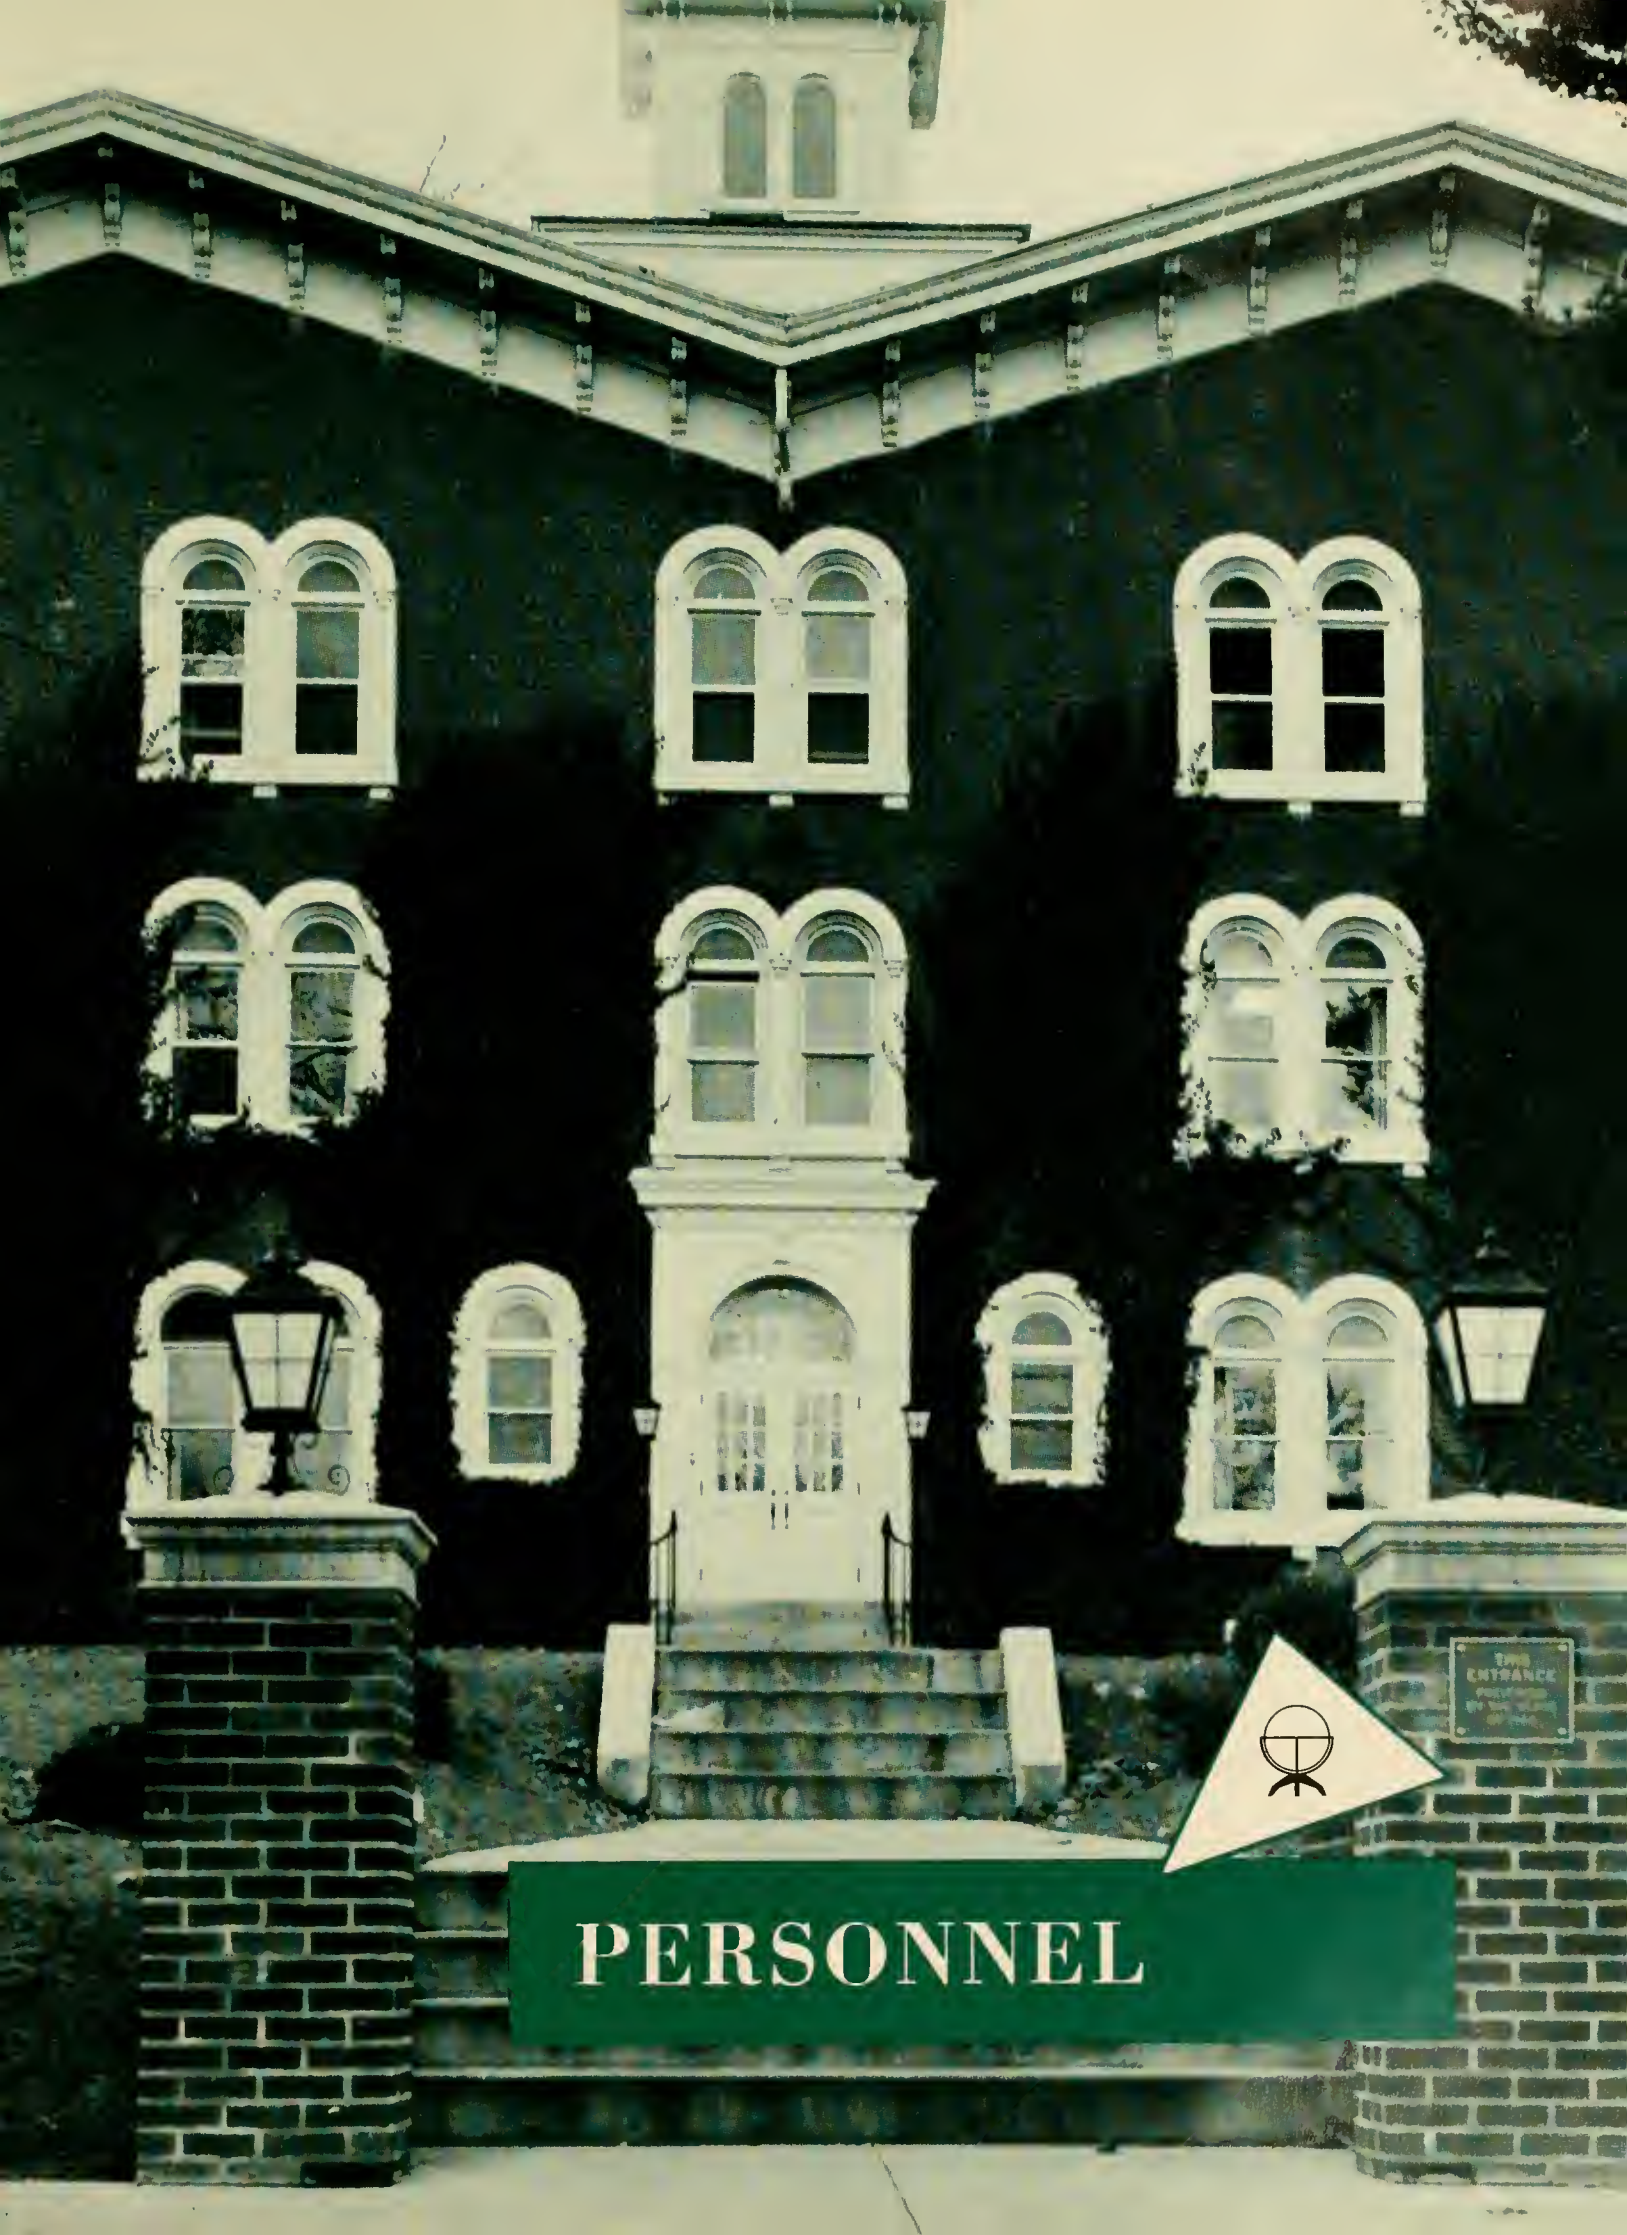

We go not unopposed

for in life looms a foe, who thrusts a sword;

for in us lurks a doubt, and fear does chide;

for all this yet, we ever onward tread: we'll not be turned
aside.

Our President

GUSTAVE W. WEBER, TH.D., D.D.

TO THE MEMBERS OF THE SENIOR CLASS:

A college education is one of the greatest possessions anyone can have. Only one out of fourteen people over twenty years of age in this country has a college degree. With graduation from Susquehanna you become members of a very select group.

You are receiving your degrees when significant world history is in the making. This is not only one of the most challenging and dangerous times for free peoples but also one of the most interesting and exciting times known to mankind.

You live in a period when rapid advancements of knowledge are altering nearly every aspect of our way of life. Tomorrow's world will be vastly different from that we know today. This is truly the age of progress, characterized by miraculous inventions. It is also a period which is characterized by a conflict of ideas between those who advocate freedom and human dignity, and those who advocate domination of ideas and control of the lives of others.

Because of your education you are well equipped to accept the challenges of our times and to do your part in strengthening America as a symbol of freedom for men everywhere and as a leader among nations of the world. In the continuing search for truth, then, I would summon you to the challenge of the whole self. For the fabric of life is woven in the living of it, and what you will attain of wisdom will ultimately be distilled out of your total experience, out of your behavior as well as your knowing, and out of your most persistent yearnings. We shall watch you fondly as you leave these pleasant ways and move into the arenas of struggle, knowing you are girded for battle with the whole armor of truth.

GUSTAVE W. WEBER,
President

Freshmen Orientation

Jane Kump, Tom Hanshaw, Judy Brndjar, Dr. Zimmer

Co-Chairmen—TOM HANSHAW, JUDY BRNDJAR

Assistant Co-Chairmen—LYNN LEREW, JANE KUMP

The largest Freshmen Class ever to enter Susquehanna University was welcomed to campus by the members of the 1961 Student Orientation Committee on September 10. Under the capable direction of Seniors Judy Brndjar and Tom Hanshaw, the week's activities—from the opening meeting on Monday to the picnic at Shikellamy the following Sunday—were very successful.

Three hundred ten Freshmen were introduced to their new home and were given a taste of the full and active life of Susquehanna. The 1961 Orientation Committee did a highly commendable job of orienting the new students. Congratulations for a job well done!

Frosh Stunt Night

Don't we look cute?

Sob, Sob, Sob!

Shelley Berman the second!

Providing an evening full of laughs, this year's Stunt Night proved to be one of the best ever staged at S. U. With the Stunt Night performance, the Freshman Class firmly established themselves on campus. Led by the very versatile Dave Koch and Ray Masullo, the Frosh showed the upperclassmen that they definitely have some talent to offer Susquehanna. The well-rounded program included both group and solo acts alternating with the comic routines of Dave and Ray. Pantomiming, singing, dancing and dramatic readings plus the hilarious antics and sparkling ad-libbing of the M.C.'s provided an evening of enjoyable entertainment for weary upperclassmen. Congratulations Frosh for a fine debut!

Homecoming

A new queen is crowned.

Homecoming 1961 brought the "Far Look" to our campus. The celebration was officially launched with the coronation of lovely Homecoming Queen Judy Behrens who reigned over the weekend whirl. Kindling the spirits of everyone, the traditional bonfire and prefootball march set the stage for the exciting gridiron tilt of the following afternoon. Shakers shaking and brass blaring characterized the spirit of Saturday's spectators while the driving Crusaders racked up another victory over the Western Maryland eleven. Not to be forgotten are the beautiful floats displaying hours of careful planning and work.

The weekend drew to a quiet close as students and alumni danced among the clouds of a "Celestial Paradise." Another Homecoming to add to memories.

Is it a ritual?—Oh, no! It's the pre-game pep rally!

Peppy, pert and pretty they cheer us on.

HOMEcoming

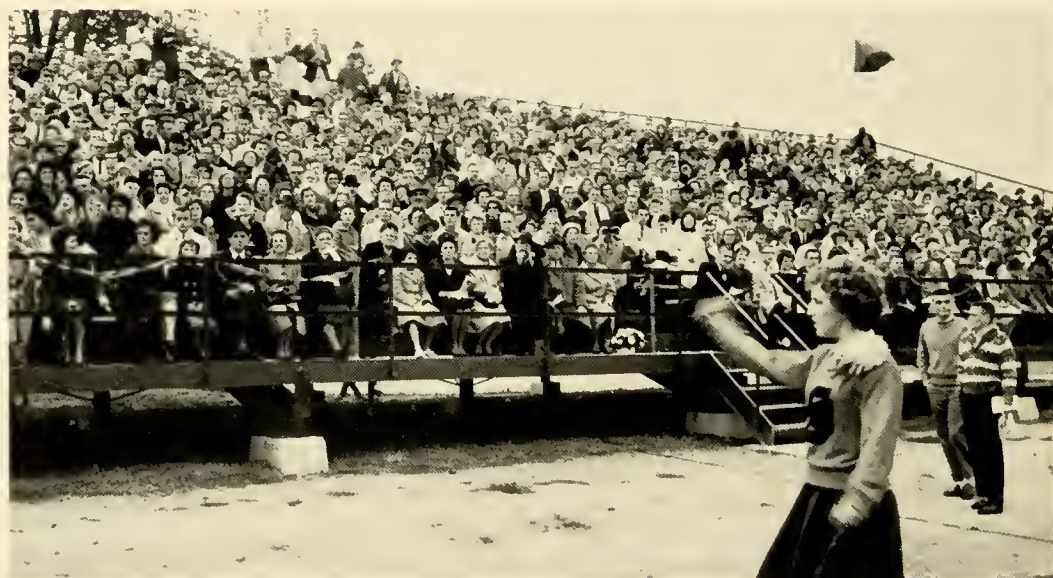

It would look lovely on our campus!

Artist Series

JENNIE TOUREL

Susquehannians were offered excellent cultural opportunities this year through an outstanding Artist Series. Richard Dyer-Bennett, a prominent folk and ballad singer, entertained a capacity audience with his tenor voice, guitar and a set of melodies that ranged from a victory song used by English soldiers following the battle of Agincourt to the ballads of World War II.

Ogden Nash, America's foremost and probably best-known writer of light verse, was also a big hit with his program of witty verses and comments.

In January, courageous labor columnist, Victor Riesel, permanently blinded by an acid attack while investigating the labor underworld, visited campus. His dynamic and informative lecture shed light on one of America's most pressing problems.

Jennie Tourel, world famous mezzo-soprano, appeared in March to thrill an audience with lovely strains of music.

And winding up this most enjoyable and interesting series was the appearance in April of the Juilliard String Quartet.

Recitals

MR. GALEN DEIBLER

The recital season of the 1961-62 series was launched with an unusually fine program of music for the piano given by Mr. Galen Deibler. The large audience in attendance welcomed his fine facility and musical expression in a program which ran the gamut of literature from Beethoven to Brahms and from the evanescent Impressionistic techniques of Debussy to the dissonant trends of Bartok.

On November 16, the Music Department presented its first student recital. A bit irregular, the recital featured eleven students performing in various mediums and doing a vast cross-section of musical literature. Those participating were Lloyd Wolf, organist; Nancy Lee Dunster, soprano soloist; Lois Binnie, pianist; Bonita Schaffer, soprano soloist; and a string ensemble consisting of Sandra Swab, Emily Partridge, Thomas Donlan, Dr. Virginia Payne, Jean Price, Carol Moyer, and Shirley Foehl.

On December 17, Mr. John Magnus presented a Faculty Recital for those who were not able to attend his concert at Town Hall in New York City during the holiday season. Mr. Magnus, an outstanding bass-baritone soloist, showed great dexterity and excellent musicianship in a varied program which featured both the French and the German Art Songs.

Later scheduled recitals and programs in the season included an opera workshop, a student organ recital, a duo-piano recital by Mr. Deibler and Mr. Billman, and student recitals by Nancy Lee Dunster, Robert Summer, and Robert Dreisbaugh.

ROUND-UP

Susquehanna's Crusaders, coached by Jim Garrett and captained by Ben "Butch" DiFrancesco, by compiling an 8-0-1 record, proved to fan and foe alike why they were named "the greatest team" in the history of the University.

Facing a bigger and better schedule, the Orange and Maroon topped the record of the previous year when they had compiled a record of seven wins and one loss. The Garrettmen found themselves, at season's end, ranked number seven in the balloting for the Lambert Cup, which is emblematic of small college supremacy in the East. Susquehanna was also in the running for a bid to the post-season Tangerine Bowl before a strong Oberlin team held the Crusaders to a 7-7 tie on the rain-soaked University gridiron.

The Crusaders opened the season with the annual Kiwanis Charities' Game before 5,000 people in Sunbury and met a surprisingly strong Lycoming eleven. It was not until the final three minutes of the game that Larry Kerstetter scored, and Tom Samuel booted the P.A.T. to give the Crusaders win number one, 7-0.

The Bears of Ursinus were the next to suffer as halfback Terry Kissinger scored two touchdowns and the defensive forward wall led by DiFrancesco, Perfilio and John Rowlands stopped the Ursinus attack to give S. U. a 28-6 victory.

Before a Parents Day crowd, halfback John Luscko romped for three T.D.'s as the Orange and Maroon swamped Swarthmore 34-12.

The following Saturday, S. U. journeyed to Staten Island, N. Y., where they outplayed a highly-praised Wagner squad to pick up win number four on the strength of end Mike Rupprecht's two six-pointers.

Western Maryland was next to feel the steamrolling attack of Susquehanna as the Crusaders scored at will and the defense sparked by Markle, Rohland and Campbell produced a 34-8 Homecoming victory.

The story was the same against Delaware Valley as sophomore sensation Don Green led the Garrettmen to a 30-0 shutout.

Oberlin College, led by fullback Alan Spiegelberg, halted the Crusader streak when a last minute field goal fell short after a Green to Hauser aerial produced the lone S. U. score.

Larry Kerstetter got the Garrettmen back to their winning ways by scoring three touchdowns as Susquehanna humiliated Hobart College.

Butch DiFrancesco and company ended "the greatest season" when they upended Wilkes 21-8 under the lights in Selinsgrove.

First Row—John Duda, Bob Richards, Bill Bailey, Captain Pete Beiger, George Phillips, George Kirschner, Tom Peischl. *Second Row*—Manager Pross Mellon, Head Coach Bill Heim, Frank Yaggi, Fred Stauffer, Dick Beidermann, Bob Silar, Pete Freimanis, Len Purcell, Larry Shaffer, John Kaufman, Manager Bob Aerni.

| S. U. | 3 | Gettysburg | 7 |
| S. U. | 0 | Millersville | 7 |

Susquehanna's soccer team, with Coach William Heim at the helm, finished the 1961 campaign with the hapless record of only one win and eight defeats, the lone winner coming against Millersville State College by a 3-2 score.

Soccer, which had been dropped from the S. U. sports scene in 1940, was revived again as an intercollegiate sport in 1960.

Faced with a tough schedule in 1961, the Crusader booters while picking up only one victory, gained something which is sure to help in the coming campaigns—experience. The only player graduating from this year's squad is Len Purcell; so Coach Heim will be counting on the experience gained this year to make soccer a winning sport at Susquehanna.

The booters were led in 1961 by Peter Beiger who kicked home nine goals and goalie Frank Yaggi; both these boys received nominations at seasons end for Little All-American honors.

A new sport—cross country—was incorporated in the athletic program at Susquehanna in 1961. In the first year of competition, the Crusader harriers, coached by David Hindman, gave a good showing of themselves by ending the season with a record of two wins and six losses.

Both Orange and Maroon victories came over Washington College and both occurred in dual meets. Like all other sports at S. U., cross country will have a host of returnees come next year. Only one loss will be felt, that of senior captain Jim Updegrove.

It is felt that with the growing interest being taken in cross country, the sport will continue to grow until one day it will play a very important role in the Susquehanna sports program.

Women's Hockey

Coach Kay Cochran, Toby Brodisch, Anne Ostheim.

At the close of the 1961-1962 girls' hockey season, the score book tallied no victories, four defeats, and one tie for the Susquehanna girls. This record, though not especially impressive, can be considered an improvement over the scores of S. U. last year. The Crusader girls scored goals in four out of five games this year whereas last year in their first year of hockey, they were unsuccessful in scoring any goals.

Lack of experience was the deciding factor between loss and victory for the Crusaderettes. Although they were defeated by actual goals scored, their spirits were only slightly dampened. Throughout the whole season, these eighteen girls displayed good sportsmanship and love for hockey.

Led by Captain Toby Brodisch and coached by Miss Kay Cochran, the team gained a lot of experience which will aid them in future years.

Women's Basketball

Coached by Miss Betsy McDowell and captained by senior Joan Lawley, the Crusaderettes made a commendable showing this year on the hardwoods. Team spirit was high and the girls displayed excellent ball handling throughout the season. The greater turnout for team membership this year testified to the growing interest in women's athletics on our campus.

In addition to the regularly scheduled games, the lassies got a chance to show their talents on the home courts with the Sports Day programs here at Susquehanna.

BASKETBALL

Susquehanna's basketball team, with Coach John Barr at the helm and junior guard Clark Mosier setting a torrid scoring pace, has compiled a highly commendable record.

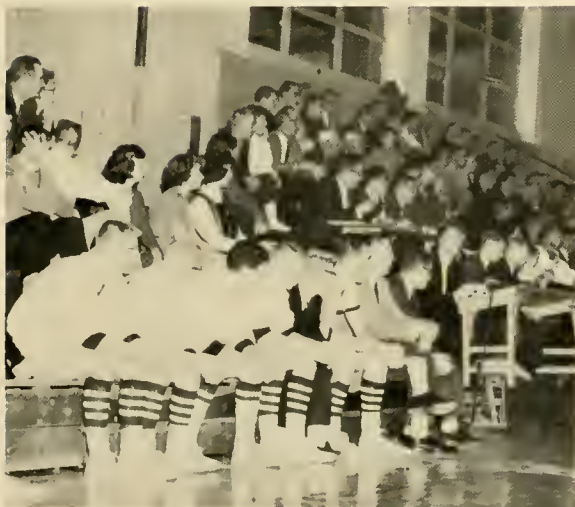

The Crusaders opened the 1961-62 campaign in Philadelphia when they went down to defeat at the hands of a strong Temple University five 75-60.

Following their initial defeat, the S. U. dribblers bounced back to defeat Western Maryland and Rider before they were defeated by Gettysburg College 70-60.

The Crusader cagers then put together a five-game winning streak as they bowled over Ursinus, Lebanon Valley, Harpur, Wilkes, and Wagner. The Lions of Albright College, however, put an end to Susquehanna's winning streak in the Albright Fieldhouse when they upended the Barrmen.

Susquehanna got back on the winning track as they dumped Lycoming, Hartwick, and Juniata in three away games. The Barr-coached five returned to the Selinsgrove ball hall on February 5 and broke the all-time Susquehanna scoring record by trouncing Dickinson College 126-75.

Scranton University stunned the Crusaders by upsetting them 95-90, and then S. U. lost to MAC leader Albright, 63-51 before the largest home crowd of the season.

Subs eagerly look on.

Junior Varsity Basketball

Playing a short season, the junior varsity basketball squad of Susquehanna, coached by Dan Sekanovich, finished the 1961-62 season with a one won, six lost, record.

The baby Crusaders, sparked by high-scoring freshman John Vignone dropped their first five games of the campaign, and then defeated Lycoming College's jayvees 83-80. The season ended with an 82-69 loss at the hands of the Hartwick junior varsity.

Student Council

As the student governing body of Susquehanna, the Student Council worked very hard during the school year. In striving to fulfill its aim of providing a representative and responsible student government, the Council succeeded in a host of worthwhile activities. Maintaining discipline in the lounge and snack bar areas was handled exceptionally well by the group while their bringing of Maynard Ferguson to the campus marked one of the high points of the year. Not to be forgotten are the group's committee supervision over freshman hazing and their presentations at Spring Awards Assembly.

Student Christian Association

Claiming more membership than any other organization on campus, the Student Christian Association undertakes many worthwhile projects. This ecumenical group sponsors a Korean orphan, the annual Christmas carol sing, the Fastnacht social, the annual Religious Emphasis program, and Sunday vesper services.

Important in the life of every university coed is her "Big Sister." The entire Big Sister program, including the banquet for the big and little sisters, is still another project of the campus S. C. A.

Alpha Phi Omega

A scouting service organization, Alpha Phi Omega is the largest fraternity in the United States. Although this local chapter is not yet nationally affiliated, the group hopes to be part of the national organization by the close of this year. Assistance to the Red Cross Bloodmobile last December was just one of the group's many activities. The men also offered ushering services during the drama productions of the year.

Alpha Psi Omega

Comprised of students who have shown keen interest and participation in the theatre, the Theta Pi chapter of the national dramatic fraternity Alpha Psi Omega boasts a talented membership here at Susquehanna. Eligibility for membership is dependent upon the accumulation of points earned through dramatic participation. As might be expected, this group is relatively small and is limited to upperclassmen.

Beta Alpha Rho

Formerly known as Phi Kappa Phi, Beta Alpha Rho provides excellent opportunities for those students interested in cultivation of a proper appreciation of classical languages and culture. Meetings feature topics dealing with various phases of civilization presented through discussions, films and lectures. The group enjoys various social activities; and not being unmindful of their ancestors, they hold an annual toga party each spring.

Biemic Society

Striving to present Susquehanna students a broader understanding of the world of science, the Biemic Society plays an important role on our campus. Activities range from engaging professional lecturers to making educational trips. One of the lecturers this past year was a local eye specialist, Dr. Wolfberg, who gave a talk on sight. Through the year speakers stimulated the students with lectures in physics, mathematics, chemistry, and biology. In February, the students made a trip to the Cancer Research Center in Philadelphia.

Business Society

Susquehanna students with business interests boast their own well-organized campus group. Lectures by prominent businessmen of the area as well as tours of local business establishments were high-lighting activities of the society this year. Encouraging good scholarship this group presents annually an achievement trophy to the top sophomore business student and sponsors an active scholarship fund. Another outstanding event of this year was the spring auction.

Pi Gamma Mu

Through the efforts of this national honorary organization, a development of campus interest in history and world affairs is sought. The organization strives to promote intellectual curiosity through the presentation of those speakers and events which will awaken an historical interest in the students of the university. Membership in this group is obtained through election by the faculty members of the local chapter. To qualify for membership a student must show special interest in the social sciences and achieve high academic standards.

Pre-Theological Association

To help prepare those college men and women interested in a vocation of full time church work, the pre-theological association attempts to provide instruction in those areas of thought ordinarily not included in college textbooks. The group studied subjects and problems concerning both ministry and lay work with the purpose of understanding better the task of the Christian Church. Under the advisership of the Reverend Donald Schaeffer and Dr. John Slater, topics dealing with church life, work, and customs were presented at meetings of the association.

Women's Athletic Association

Anne Ostheim, Toby Brodisch, Joan Lawley, Barbara Jordan.

Stimulating general participation and interest in women's recreational and athletic activities is one of the primary objectives of the W. A. A. Membership in this association is determined by the earning of points for either inter-scholastic or intramural participation. In addition to taking charge of Homecoming elections and festivities, the association sponsored several "play days" with other schools and sold refreshments at football games.

University Choir

The sound of many voices blending in a beautiful hymn or bubbling in a rollicking pop tune could be heard drifting from Heilman Hall on any University Choir rehearsal day. Under the able direction of Mr. John Magnus the choir has done much to enrich Susquehanna's musical life. For their many hours of arduous work and moving performances we express our full appreciation.

The Singing Crusaders

The Singing Crusaders is an organization striving for a level of artistic achievement along with fellowship and fun. The group's brief history dates back to the winter of 1959, when a freshman chorus of sixty men gave a Christmas serenade for the entire campus. In the beginning of the school year, 1960-1961, a selected group of men organized themselves under the name, Singing Crusaders. This group sang for chapel programs, vespers, dinner entertainment, serenades, May Day, and Alumni Day. In the past year the group has stabilized itself through greater selectivity of members and more interesting undertakings. Director of the group is Bob Summer.

Just for fun.

Handbook

Editor - - - - - JANE KUMP
 Adviser - - - - - MR. GEORGE TAMKE

Published annually by the Student Christian Association, the *Student Handbook* serves as a guide to campus affairs. The book contains information concerning the traditions, organizations and officers, rules and regulations of Susquehanna. Freshmen find this publication especially helpful during those opening weeks of school when so many questions arise.

Freshman makes use of the Handbook.

Lambda Chi Alpha began the new school year by again winning the annual trophy given for the best fraternity float in the 1961 Homecoming parade. "Peace Through Education" was the theme of their entry.

The brothers continued their dominance of the intramural program. The rugged brothers succeeded in retaining the football trophy for another year.

The annual Christmas party was a whooping success and lovely Lynn Vekassy reigned as the charming Crescent Queen of Lambda Chi.

Scholarship, an important factor in fraternity life, continued to show steady improvement as the brothers hit those books. By placing many of its brothers on the school's varsity teams, Lambda Chi did much to enhance the athletic program here at Susquehanna.

Phi Epsilon

The year 1961 saw "The Roaring Twenty" emerge into Susquehanna's fraternity life. The twenty brothers of Phi Epsilon were involved in much activity during the past year. Probably of most importance was the selection of Tau Kappa Epsilon as a national fraternity.

The brothers first social event was the formal spring party in May which was deemed highly successful. The beginning of the new school year saw the opening of Phi Epsilon's first fraternity house. A well-received Homecoming float and a number of open houses and parties introduced Phi Epsilon as a worthy addition to Susquehanna's campus.

Administration approves fraternity plans.

A Fraternity Is Born

The initial steps to the formation of a fourth social fraternity on Susquehanna's campus were taken late in the 1960-61 school year by a group of interested male students. A five member body, known as the Steering Committee, became the first governing council of the potential fraternity. Plans were made, pending official administrative recognition, that the fraternity should be called Phi Epsilon and should affiliate as soon as possible with a national fraternity.

Phi Epsilon was officially recognized by the Administrative Cabinet on February 27, 1961, and by the Interfraternity Senate on April 30, 1961. Three national fraternities, Sigma Chi, Phi Kappa Tau, and Tau Kappa Epsilon showed strong interest in Phi Epsilon. After much discus-

sion and deliberation Phi Epsilon on May 9, 1961, chose to affiliate with the nation's largest social fraternity, Tau Kappa Epsilon.

On the local level, six additional pledges were taken into the fraternity raising the total membership to twenty. Shortly before the close of the '60-61 school year the brothers of Phi Epsilon were pleased to learn that the property of the late Charles T. Aikens had been donated to Susquehanna University, and would serve as the home of Phi Epsilon. Welcoming thirteen new pledges with 1962 rushing, the members strengthened their brotherhood.

Thus the seeds of this fraternity were sown. To the brothers of Phi Epsilon, we wish continued success as their fraternity grows and develops.

Most important among the activities throughout this year was the complete renovation of the exterior and interior of Phi Mu's fraternity house and the addition of a new wing on the west side of the building. Homecoming was a big day at Phi Mu Delta as ceremonies got underway in the morning with the rededication of the house by President Weber.

Following the football game, the annual Homecoming banquet was held at the Blue Hill Restaurant where both alumni and active brothers gathered in congenial surroundings.

During the Christmas holidays many of the brothers journeyed to New York City where they heard honorary brother John P. Magnus give a recital at Town Hall.

The social year at Mu Alpha was highlighted by hayrides, jam sessions, western parties, and those ever-popular Jones Boys. The annual Phi Mu Delta-Alfa Delta Pi Easter party was held at the fraternity house for underprivileged children of the area.

In intramural sports, the Orange and Black once again held their own in what proved to be strong competition. The 1960-61 basketball kingpins, donning new uniforms, set out to defend their title on the hardwood.

“... For the Dream Girl of Theta Chi.” With these words, sung by the brotherhood, the Theta Chi Dream Girl for a new year was crowned at the annual Christmas Formal. Judy Brndjar, the newly elected queen of the Big Red, plus a jolly crepe-paper snow man and plenty of mistletoe at strategic points—these completed another perfect evening and a productive year at Theta Chi.

On campus, Theta Chi surprised even coach Paul Tressler with its record on the intramural gridiron. Even though a deficit of one point in the championship game furnished the Big Red with only a second place team, they did set some school intramural scoring and defensive records. The brotherhood partly assuaged their wounds by retrieving the scholarship cup and by preparing an attempt at retrieving the Interfraternity-Sorority Song Trophy.

Theta Chi paid tribute to Dr. Thomas Armstrong, faithful adviser, by dedicating the chapter room of the house to him. “Ma” Cox dedicated herself even more warmly to her duties as housemother to the brotherhood after she was presented with an electric blanket to keep her snug and warm during the long winter nights. As the New Year dawned, the brotherhood, the advisers, and the housemother prepared for another rush week and a new class of men for the house of Theta Chi.

"Take off for Victory" were the key words for an eventful year as the sisters of Alpha Delta Pi won the Homecoming trophy for their outstanding float. A good reward for a job well done!

A brighter Christmas and a happier Easter were provided for the underprivileged children in the area at the traditional AD Pi parties. It was fun for the sisters because it was so much fun for the children. Spring and winter programs at the Selinsgrove State School, serenading the various campus residences, contributing to national charitable organizations—each of these was an expression of the enjoyment which the group found in giving to others.

On the lighter side, the members also sponsored many social activities during the school year. The sisters along with their dates spent enjoyable evenings at the co-ed party, lounge dances and at the picnic at Halfway Dam in the spring.

All the excitement and joy in starting the fall semester were heightened for the sisters of Alpha Xi Delta as they returned to find their new sorority room waiting to be occupied.

On Parents Day, both parents and families of AXiD sisters were guests at a tea held after the football game. Homecoming was a day of happy "welcomes" and "hello agains" as alumnae returned and also attended a tea held in their honor.

As their formal philanthropic work, the sisters of Alpha Xi Delta acted as volunteer hostesses at the State School the first two Sundays of each month. In addition, all the sisters acted as guides during the school's Open House held in the spring.

Along with these outside activities, the sisters of AXiD managed some time for their books and were rewarded with the Sorority Scholarship cup for the second consecutive year.

With all the splendor and enthusiasm of a merry Santa, the sisters of the Gamma Kappa chapter received a special visit from the fat little man at their Christmas party.

Spring with its budding trees and feelings of laziness was also the scene for the AXiD Rose Formal where the sisters and their dates were able to enjoy some of the "Spring Fever."

Kappa Delta began the school year with the fall fashion show. The sisters presented to the students the new fashions to be seen on campus. Springtime found Kappa Delta showing bathing suits and gowns in the spring fashion show. These were philanthropic projects, and the proceeds went to the Crippled Children's Home in Richmond, Virginia.

After the Parents Day football game, the sisters treated KD parents to a banquet held in their honor. The dark skies of fall found the sisters guided by candles on the fall serenade. Likewise the group sponsored a lounge dance with a jungle party theme and later in the year, enjoyed a memorable "Winter Wonderland" party.

If anyone trudged down the path by Seibert in the spring, they may have been hosed down and washed by a Kappa Delta actively engaged in the annual car wash. The benefits from this project went to their philanthropy.

SAI sisters were busy every minute this year raising funds for their big trip to Chicago August 16-20. They have been invited to sing at the National Convention of Sigma Alpha Iota, professional fraternity for women in music. A very active group, Susquehanna's SAI's have won the honor of being named co-outstanding chapter in Iota province. This includes an automatic nomination for national outstanding chapter which will be announced at National Convention this summer.

A whirlwind of events has frequently put the girls in the spotlight during the year. For their first public appearance of the year, they and the Crusaders presented a joint Christmas concert at the S. C. A. Christmas Vespers. In February, they entertained the student body and the public with their annual concert. Soon after this they presented a joint concert with a new SAI chapter from Lebanon Valley College. In addition to all this group activity, many of the sisters appeared throughout the year in student recitals.

In March, SAI brought to our campus the famed Nagel Duo Piano Team which presented a seminar on duo piano performance. The SAI annual formal dance, held in March in honor of the new pledges highlighted the group's social activities of the year.

Interfraternity Senate

The Interfraternity Senate strives for better relations among the fraternities on campus. The Senate consists of the presidents and advisers of each fraternity with Dr. Zimmer as chairman. Through intelligent discussion, the group attempts to decide the most beneficial policy for the fraternity as a whole and aims to protect each individual fraternity against discrimination.

Editor's Note

Editing a yearbook calls for teamwork. And to the team which helped make this 1962 LANTHORN a reality, I wish to express my sincere thanks:

To the entire LANTHORN staff for unyielding support and cooperation;

To Mr. Tamke for his patience and helpful advice;

To the administration, faculty, and student body for their cooperation and understanding through all the rigors involved in picture-taking;

To Schindler and Vannucci Studios for excellent service;

To Grit Publishing Company for competence and consideration.
